The image shows three black, dome-shaped pendant lights hanging from the ceiling. The lights are illuminated from within, casting a warm, yellow glow. They are arranged in a cluster, with one light in the foreground and two slightly behind it. The background features a dark, textured wall on the left and a wall with vertical wooden slats on the right. A semi-transparent grey banner is overlaid across the middle of the image, containing the word "DOME" in white, bold, sans-serif capital letters.
